

## ENTRY FORM REQUIREMENTS FOR INNOVATION CATEGORIES

Entry for the 2018 New Zealand Construction Industry Awards is an online process.

Below outlines what is required for the entry forms. We suggest you collate your responses then copy and paste into the entry form. The entry form can be saved and continued at a later time using the provided link.

Entries require the following:

### 1. KEY NOMINEE AND NOMINATOR INFORMATION

Organisation of Nominee

Name of Nominee

Email of Nominee

Name of Nominator

Organisation of Nominator

Name of Innovation

Phone Number of Nominator

Project Name

Project Location

Project Value

*\*Note: the values assigned to the advertised cost-band categories are indicative.*

*The final cost-band categories may change at the discretion of the judges.*

*2 x high-resolution photos of the Nominee to upload, file size limit 3MB*

### 2. INNOVATION DESCRIPTION (500 WORDS OR LESS) AND HI-RES PHOTOS

In 500 words or less, tell us about the innovation. Submissions can cover any innovation that relates to, or impacts, on the built environment. Examples include: Product, process, technology, sustainability, health and safety, procurement, or customer service that have improved upon or extended beyond current expectations of best practice in the chosen area. Judges will be looking for:

- Entries that focus on solving customer and end user needs, that result in excellent innovations.
- An innovation that best demonstrates innovative approaches, solutions or products in its delivery.
- A new technology, product or service; new to the market that will transform the way the industry will work.
- An innovation that supports the end user in commercial settings e.g. construction, education, corporate, infrastructure, engineering, energy, technology design, architecture, admin, etc.
- An innovation that enhances building development and management through: Sustainability, maintenance, durability, productivity, occupant health, collaboration, space optimisation or energy efficiency.

*Upload 8 x high-resolution photos of the project, file size limit 3MB*

### 3. ABOUT THE NOMINEE (500 WORDS OR LESS)

In 500 words or less, tell us about the nominee. The nominee background may include details on any of the following:

- Background
- Previous roles and experience (incl. international)
- Qualifications and affiliations
- Years in the industry
- Why nominee was chosen for this position
- Previous awards

#### **4. NOMINEE ROLE IN THE INNOVATION (500 WORDS OR LESS)**

In 500 words or less, tell us what the Nominee's role was in developing this new innovative; product, technique, or process, and how they excelled in doing so. The nominee's role may cover those aspects listed below:

- An overview of the situation and problem that needed to be overcome
- The vision they demonstrated in identifying an opportunity to do things differently
- The process the nominee followed to realise the idea
- Overview of the Business Case that was put forward to client and/or company to progress the innovation
- Outcomes and benefits to client/ project/delivered building/ occupants etc.

#### **5. PROJECT CHALLENGES (500 WORDS OR LESS)**

In 500 words or less, tell us what are some of the challenges faced by the nominee during this project. Challenges that the nominee may have confronted might include:

- Logistics
- Design
- Budget
- Availability of resource(s) to realise the innovation
- Resistance from stakeholders to trying a new approach

#### **6. DETAILS OF OTHERS INVOLVED IN THE PROJECT**

Provide list of others involved in the project (e.g. Consultants, Subcontractors etc.) including email addresses.

Select Type:

- Project Managers
- Contractors
- Quantity Surveyors
- Specialist Trade
- Architects
- Client

Details Required:

Company Name

Name

Email

Mobile

#### **6. REFERENCES**

Upload 2 x references, file size limit 3MB (Word / PDF / JPG)
